Basic outline of camp as follows:

Activities: During the camp in no particular order at this point in time, activities will include Diving/Snorkelling on a ship wreck, a tour of the big Gun and tunnels used in WWII, swimming, night games, devotions and geocaching.

Returning: We will return Sunday Afternoon, not too late in the day as School begins on Monday Morning.

We last ran this Senior's camp in 2015 and had a great time together.
